## READ OUR PLAN By Which You May Have More Dresses and Smarter Dresses on the Same Allowance

We have arranged with the New York School of Dressmaking for a course to be conducted at this store for four weeks only. September 13 to Oct. 9.

This will provide a remarkable opportunity for the women of this city to learn to make their own dresses while making them. Come and let us explain to you how it will be possible for you to bring your own goods and make your fall wardrobe under the personal supervision of an expert from the New York School of Dressmaking.

Individual instruction, with each pupil working independently of the other, makes the work of greatest practical value.

Five sessions daily, so that your convenience may be suited as to the time you wish to come.

Only a limited number of enrollments may be made, so it is advisable for you to take advantage of this opportunity immediately.

The cost of the course of six lessons is only \$3.00. Enroll at the Pattern Counter, First Floor.

## Demonstration of Hall-Borchert Dress Forms—Next Week

You well know how difficult and generally unsatisfactory it is to try and be your own model and dressmaker at the same time. Have you never wished at such a time that you had someone, the exact counterpart of your physical self, who would relieve you from all the fatigue of standing for a fitting, and at the same time enable you to observe the effect and fit of your dress at every stage of the work, thus making a pleasure of dressmaking instead of a trial?

We will have a demonstrator with a complete line of Hall-Borchert Dress Forms with us all next week. Come in and see this greatest of all dress forms.

LADIES PLEASE TAKE NOTE that all next week an expert New York Corsetiere will fit and give talks on Madame Lyra Corsets. You are most cordially invited come and see and hear of the new corset fashions. —First Floor
